

League of United Latin American Citizens

LULAC Supports Woman's Reproductive Rights & Access to Reproductive Healthcare

WHEREAS, the mission of the League of United Latin American Citizens is to advance the economic condition, educational attainment, political influence, housing, health, and civil rights of the Hispanic population of the United States and

WHEREAS, women must have the right to choose what is best regarding their own reproductive system

WHEREAS, women's freedom and that of our daughters futures is at stake and

WHEREAS, according to recent poll, more than 75% of all women in the U.S. are frustrated with what is happening across our country, where many states are reducing control of what women can do with their bodies And are experiencing serious even life threatening hardships and receiving appropriate healthcare,

THEREFORE, LULAC COMPLETELY SUPPORTS access to reproductive healthcare and protection of reproductive rights for all women

Submitted by: North Texas LULAC District III. Voted and approved by the National Assembly of the 2024 LULAC National Convention on June 29, 2024.

Roman Palomares
LULAC National President
