Frequently Asked Questions

Q: Who does the program serve?

A: The program seeks to serve Latina students in middle school. Middle school grade levels do vary by states/school districts and may include grades 6th, 7th and 8th.

Q: Do students need their own computer?

A: No, Two – three girls can work on one computer. However, we do suggest a max of two girls per computer. Please note that the entire curriculum is web based.

Q: Is the curriculum included?

A: Yes, all grant recipients will take part in a webinar to review curriculum in detail. Curriculum does not require purchasing any additional items other than the standard writing utensil and notepaper. Curriculum will take 25 hours total to instruct.

Q: Are there any specific target markets?

A: No, any 501(c)(3) organization in the U.S. and Puerto Rico can apply.

Q: What are allowable expenditures?

A: The following expenses can be made using the $5,000 grant:

- Staffing
- Overhead expenditures
- Technology lab equipment including: hardware, software and furniture
- Student incentives such as: T-shirts, snack/meals and swag items
- Promotional materials (A banner will be provided by LULAC)
- Cost of broadband
- Fieldtrip costs
- Related program events such as parent orientation and program graduation

Q: Can this program serve students already enrolled in a program at our local organization?

A: Yes, this short-term (12 - 17 week) program can be supplemental to existing programs offered at your organization.
