**RESOLUTION ON BEHALF OF DREAMERS SEEKING TO ENTER
THE ARMED FORCES**

WHEREAS, Congress has failed to provide for DACA recipients to enter the armed services and thereby closed off opportunities that should be available to all high school graduates equally, and

WHEREAS, this exclusion also applies to high school students who have successfully completed JROTC programs in high school.

THEREFORE BE IT RESOLVED, We urge the President to make service possible for those who seek entrance into the armed services on an emergency basis.

Voted and approved at the 2015 National LULAC Convention - July 11, 2015.
