### **Resolution to Repeal False ID Crimes**

**Whereas**, America is a country of immigrants having been established whose constitution grants the pursuit of happiness with liberty and justice for *all*; and

**Whereas**, since its inception, LULAC National has vigorously addressed the issues of immigration and human rights; and

**Whereas**, LULAC National adopted the "Commitment to America" as its national policy to counter abuses to citizens and immigrants; promote access to quality education and opportunity to ensure increased participation in the American way of life; and

**Whereas**, the U.S. Department of Homeland Security (US DHS) has classified all fraud based crimes including using fake social security numbers as "Crimes Involving Moral Turpitude" (CIMT) as a way to deport undocumented immigrants and permanently depriving them of their ability to make a livelihood and support their family.

**Now, Therefore Be It Resolved**, that LULAC National opposes the US DHS classifying social security identification fraud by undocumented individuals, for the purpose of job opportunities, as a substantial reason for deportation under the CIMT category.

Voted and approved at the 2015 National LULAC Convention - July 16, 2016.
