### **RESOLUTION IN SUPPORT OF A LULAC NATIONAL VICE PRESIDENT FOR VETERANS**

**WHEREAS**, the League of United Latin American Citizens (LULAC) is the oldest Hispanic advocacy organization in the United States having been formed in 1929 in Corpus Christi, Texas; and

**WHEREAS**, freedom is not free because thousands of men and women have lost their lives to defend and preserve the freedom of the United States; and

**WHEREAS**, veterans deserve respect as well as good representation at the table of the Veterans Affairs Department, or wherever veterans' issues are being discussed; and

**WHEREAS**, John F. Kennedy said, "Ask not what your country can do for you, ask what you can do for your country," and veterans proceeded to place their lives on the line for the liberty and freedom of the United States; and

**WHEREAS**, President Obama recognized veterans by saying, "The veterans have served their country, now their country needs to serve the veterans," and now is the time to deliver the much needed attention to those men and women that continue to defend our country and preserve our freedom;

***THEREFORE BE IT RESOLVED*** that from this point forward, LULAC supports the position of LULAC National Vice President for Veterans to better serve veterans from all war eras and to justly become their voice.
