The League of United Latin American Citizens invites you to participate in the 89th LULAC National Convention & Exposition in Phoenix, AZ from July 17-21, 2018. As the premier Hispanic convention, the LULAC National Convention draws over 15,000 participants each year including top leaders from the government, business, and the Latino community.

Make History: The LULAC Convention is an exciting, history-making convention, because it convenes the national delegates of LULAC to discuss issues, set policies, and elect the organization's national leaders. For this reason, the LULAC Convention is covered by national and local media. It is the only convention in which participants representing Hispanic communities from across the country determine the positions and strategies of a national Latino organization.

Reach out to Hispanic America: The LULAC Convention attended by major corporations who recognize the importance of reaching out to national Latino leaders and influential community members directly. There are opportunities to sponsor workshops and events, display products and recruit Hispanic professionals in the convention exhibit hall. In addition, all proceeds support LULAC's mission, which is to advance the economic condition, educational attainment, political influence, housing, health and civil rights of the Hispanic population of the United States.

Federal Training Institute: The LULAC Convention hosts the LULAC Federal Training Institute (FTI), an intensive and structured career development program for government and public sector employees. In partnership with the OPM and other Federal agencies, the Federal Training Institute offers workshops and plenary sessions that enable government employees and other employees to enhance their leadership skills and develop the Executive Core Qualifications required for entry to the Senior Executive Service.

Career Fair: Emerging career opportunities, top companies, live interviews. Whether you are an employer looking for top talent or a professional looking for your next job, you will want to attend the LULAC Career Fair. This three-day event features great jobs from several top companies and federal agencies that are ready to hire.

Youth Conference: The convention also hosts the LULAC Youth Conference—a three-day event for Latino youth, featuring workshops and panel discussions education, career opportunities, community service and leadership.

Young Adults Conference: The Young Adult Conference features three-days of leadership development and policy workshops for college students and young professionals.

FTI Youth Symposium and Young Professional & Collegiate Symposium: A free, fun-filled, three-day event to highlight career and employment opportunities available to middle, high school, college and university students, and young professionals. Expert presenters introduce students to resume writing, online resources, student programs, scholarships and internships in federal and private sectors. Training sessions for college students and young professionals take place on Wednesday and Thursday, and high school students meet on Friday.

About LULAC: Founded in 1929, the League of United Latin American Citizens is the nation's oldest and largest Hispanic organization. With thousands of members organized into more than 1,000 LULAC Councils in virtually every state of the nation and in Puerto Rico, LULAC has tremendous outreach into the Latino community. With a rich history of advocacy in civil rights, education, economic development, immigration and equal opportunity. LULAC is positioned to lead the Hispanic community into the next millennium.
