2016 LULAC National Legislative Conference & Awards Gala

The LULAC National Legislative Conference and Awards Gala highlights critical legislative issues affecting Hispanic Americans and recognizes key leaders who have served the Hispanic community well. The policy panels hosted during the legislative conference will culminate in three distinguished elected officials being awarded for their commitment to the Latino community. This conference also celebrates the 87th anniversary of LULAC, which was formed on February 17, 1929.

LULAC will host a policy summit featuring Members of Congress, their staff and Hispanic leaders on Wednesday to address key policy priorities for 2016. Also on Wednesday several panels of renowned experts will be discussing issues of key importance to the Hispanic community, such as health care, comprehensive immigration reform, broadband adoption in minority communities, education, and childhood obesity.

Proceeds from the LULAC National Legislative Conference and Awards Gala support the important work of the LULAC National Office. This includes LULAC's policy and legislative advocacy, as well as its organizing of Hispanic communities through the creation of LULAC councils throughout the United States. Contributions to the legislative gala are not tax deductible as a charitable contribution, but may be deductible as a business expense.
