

Participation Permission Form

I give permission for my child to participate in the Professional Development Session opportunity hosted by LULAC Institute, Inc. and Verizon as part of the Youth Educational Enrichment Series (YEES) program. I understand that the resume my child submits as part of the RSVP process will be shared with the Verizon employee for review and feedback. Additional contact information or personal details will not be shared by LULAC with Verizon or its employees. However, submitted resumes will not be altered and any contact information my child lists in their resume will be seen by Verizon employees. I commit to review and approve the resume prior to my child submitting it as part of the RSVP process. Additionally, I understand that during this virtual session, my child will be paired with a Verizon employee during a breakout session to receive feedback on their resume, practice their interviewing skills, and receive career coaching. Parents and/or guardians are invited to be present during the Professional Development Session if they wish to do so.

Media Release

Furthermore, I give permission to the LULAC Institute, Inc. and Verizon to use any photographs, images, video and/or statements that may be taken of my child during the course of LULAC's Youth Educational Enrichment Series program for online and/or printed marketing and/or promotional purposes including but not limited to the LULAC Institute, Inc. and Verizon website, newsletter, social media and television with the privilege of editing or rearranging but not changing the original meaning. In addition, some participants may be asked to give interviews if the program is covered by the media.

Please check box if you would like to opt out of having your child be featured in photographs, images, video and/or statements during the course of LULAC's Youth Educational Enrichment Series program.

By signing below I acknowledge that I have read, understood, and agreed to the above-mentioned statement and I give permission for my child to participate in the Youth Educational Enrichment Series program.
